Gospel Center  
Sanctuary  
gets remodeled!

## GOD HAS BLESSED THE GOSPEL CENTER!

**Back in November, the leadership team of the Gospel Center decided to try something new. We sent out a Christmas Gift list to those that are interested in the work of the Gospel Center. Your response was overwhelming!**

The items that we put on the Christmas Gift list were new Bibles for the Gospel Center, as well as Bible to give away, some resources for Kidz Club and materials for renovating the Gospel Center. The next few weeks were exciting as we opened our mail and were amazed at the blessings God sent our way. Our goal was \$5,500.00. We exceeded our goal with YOUR help and were able to purchase new chairs as well. Thank you so much for your contributions,

On March 12 the renovation began. We ripped out the old carpet, replaced the windows, replaced the ancient electric, dry walled, put new doors in, a new ceiling and new carpet! And in late April, our new chairs arrived.

The inside of the sanctuary really needed a facelift. Nothing had been replaced since 1972. We thank God for providing us with the means to redo the Gospel Center and help prepare us for future ministry. Again, thanks for partnering with us!

# WHAT IS HAPPENING?

**It has been a long time since we have updated you, and much has been going on..**

## GOD IS STILL CHANGING LIVES

Several people have recently been saved at the Gospel Center! It is exciting to see God moving and changing lives and it is always amazing to see brand new growth.

### JAIL MINISTRY

God continues to help us with our jail ministry. We are working with a group of 20 - 30 "out mates" or those that are on work release and will be released from jail soon. Most of the guys there are young and the devil has already tried to ruin their lives. Part of the vision at the Gospel Center is to develop a program where we can continue to work one-on-one with these guys after they get out of jail. Please pray that God will help us to know how to proceed strategically in this direction.

### KIDZ CLUB

Kidz Club continues to grow. We have a strong core of kids who have been attending faithfully for 4 - 5 years and have been instrumental in getting some of their families to come to the Gospel Center. We also have a girls club and a guys club that alternate on Tuesday evenings. We are happy to see our kids grow deeper with Jesus Christ.

In addition to those activities, from February - June, we had KING KIDZ BREAKFAST CLUB! Every Monday, Wednesday and Friday, we had a group of kids come to our house @ 7:00am for breakfast and devotions. God is really helping our kids. They have been making many positive changes - we are growing our future leaders!

### DONATED VAN

Our local Christian Light Bookstore donated their 1992 Dodge Caravan to the Gospel Center! It took a little work but it is up and running and we thank God for it.

### IN THE FUTURE

We are currently looking at housing possibilities for our needy community. We are preparing to begin Celebrate Recovery, a Christ-centered recovery program. And for our kids, we are looking at the possibility of starting a tutoring program. Please keep the Gospel Center in your prayers and thanks for your support!
